

Please help St. Agnes feed needy children with a nutritious meal!

The weekend of June 15th and 16th

Catholic Charities Weekend Power Pack Feeding Program provides chronically hungry elementary school children, who are homeless or at-risk of hunger, with a backpack filled with nutritious food so that they will have food throughout the weekend.

We will collect individual portions of the following items:

• Cereal Bars • Chili • Mac-N-Cheese • Ravioli • Fruit Cups

(Our greatest need is for Chili, Ravioli and/or Spaghetti O's with Meatballs, Mac-N-Cheese and Fruit cups.)

Please no candy, or junk food.

Place the requested items in the collection box in the Narthex.
